

INTERNATIONAL PERSONAL PROPERTY RATE SOLICITATION I-12

CHAPTER VIII - SOLICITATION FOR FRUSTRATED SHIPMENTS

Item 800

General

These provisions will be used to solicit competitive OTO rates for personal property shipments, both HHG and UB, that become frustrated because of nonpayment of ocean charges.

Item 801

Ports

Rates will be solicited for the following ports:

- a. CONUS: Baltimore, Charleston, Houston, Jacksonville, Los Angeles (includes Long Beach), Miami, New Orleans, New York, Norfolk, San Francisco (includes Oakland), Savannah, Seattle, and Toledo.
- b. OVERSEAS: Agana, Algeciras, Balboa, Bremerhaven, Cadiz, Catania, Cristobal, Felixstowe, Glasgow, Holy Loch, Honolulu, Inchon, Iraklion, Istanbul, Iskenderun, Izmir, La Maddalena, Leghorn, Naha, Naples, Pireaus, Pusan, Rota, Rotterdam, San Juan, Yokohama, Yokosuka.

Item 802

Rates - HHG

Rates for HHG will be stated as a percentage of the transportation rates indicated in Chapter V. Percentage must include costs for any port handling fees, linehaul from port to destination, and destination services other than SIT and associated costs. An amount equal to delivery from SIT will be in addition to the percentage stated to adjust destination costs. Percentage may be above, below, or equal to the rate provided. Percentages must be in whole numbers, i.e., 90, 100, 110, etc. Percentages stated as 95.5 percent will not be considered viable.

Item 803

Rates - UB

Rates for UB will be stated as a percentage of the transportation rate stated in Chapter V. Percentages must include port handling costs, linehaul from port to destination and destination, services normally associated with UB shipments. Unpacking, SIT, warehouse handling, and delivery out of SIT will not be included in your rate. No additional additives will apply to shipment of UB.

Item 804

Awards

Separate awards for each port will be made on the basis of lowest percentage offered for each commodity. Tie bids will result in a drawing for award. Carrier's credit standing with ocean carriers will be considered in the award process.

Item 805

Payment Responsibility

Carriers will be responsible for payment of ocean charges to either ocean carrier or carrier paying total ocean charges, as required. Bids will not include these costs. Carrier will bill finance centers for their portion of the ocean charges as third party service supported by proper documentation. Carriers will be responsible for payment of demurrage for the entire ocean container, if original carrier was responsible.

INTERNATIONAL PERSONAL PROPERTY RATE SOLICITATION I-12

Collection from other carriers will be the responsibility of the carrier. Carriers are required to maintain records identifying all charges associated with demurrage and report same to **MTTP-HO** upon request. Carriers will be required to obtain new weight tickets and will bill on the new weight. The weight of the original shipment will have no bearing on the new shipment.

Item 806 *Return of Carrier Equipment*

Carriers will be responsible for notifying original carrier's agent that property (containers, etc.,) is available for pickup upon delivery of shipment.

Item 807 *Reporting Operational Problems*

Carriers must notify HQMTMC, ATTN: **MTTP-HO**, when any problems occur such as failure to obtain PPGBL from PPSO or failure to obtain release of shipment from ocean carrier.

Item 808 *Standards*

Shipments are subject to all provisions and rules contained in this solicitation and the Tender of Service. Awards to carriers failing to provide timely movement of property will be terminated and the carriers will be removed from the OTO program unless failure is through no fault of the carrier.

Item 809 *Announcement for Bids*

When it becomes necessary to obtain bids for the movement of frustrated shipments, HQMTMC, ATTN: **MTTP-HR**, will issue a message announcing the effective dates and name(s) of the involved carriers. The estimated volume of property to be moved will be provided in the announcement, if known. The deadline for submission of bids will also be contained in the message. See example of message at Appendix A.

Item 810 *Submission of Bids*

Bids may be submitted for all ports for both HHG and UB or carriers may choose only those ports and commodity they desire to serve. Carrier will submit bids by facsimile in the following format:

Item 811

Uniform Tender of Rates and/or Charges for Transportation Service

Carriers will be notified when required to submit uniform tenders. Tenders will be requested from carriers establishing the two lowest rates. Should the rate setter default, the alternate carrier will be notified to start service immediately. Sample tenders are attached.
